Due to the speed of the wind, we were allowed to set up our tables inside.

Thank you to Karina Quelet, MASP CEO for saying yes to our inside displays, and thank you John Himes, MASP Operations Director for being on hand to answer questions!

Thank you Ron Langford for all of your help and support with the tables!

A few aircraft flew in for Plane Crazy, including Tony Ginn in his Thorp T-18. Others included

Mercedes Eulitt in her impressive Van's RV, sporting a beautiful new paint scheme! Very red and creatively eye-catching!

Was great to see Mercy Air on the flightline too!

We appreciate all of our Plane Crazy Saturday sponsors!
