Please bring an unwrapped toy for local boys and girls this Christmas!

CHP will have CHiPs for Kids barrels for us to fill!

**Presentation in MASP Board Room at 11 a.m.**

Meghan Salzman, Build-A-Plane student will give a presentation about how being a part of this unique program changed her life and direction! She found it to be a character building experience and is now pursuing an mechanical engineering degree at Bakersfield College and is no longer that shy person she once was. She now accepts leadership roles and learned the value of applying herself in all aspects of life, including her school work. Come and hear a real success story and be ready to be inspired!
