TODD SCHULTZ

Vultee BT-13 Fun to Fly!

11:00 a.m. in MASP Board Room – seating limited!!!
RSVP at info@mojavemuseum.org

Todd Schultz founded the *Golden Age Flight Museum* in 2016. Growing up in an aviation family, he acquired a passion for aviation at an early age. He never missed an opportunity to fly with his father. Still in high school, Todd earned his pilot license and now possesses several additional certificates. These include Airline Transport Pilot and Flight Instructor for single engine, multi-engine, and instrument instruction and he is a Designated Pilot Examiner.

He is also certified in gliders and seaplanes. His talented mechanical background earned him an FAA Airframe and Powerplant Mechanic certificate. His logbook documents flights in over 100 types of aircraft.
